

## Special Recognition

As a founding member, your name will be included in a plaque in the Greater Grays Harbor, Inc. Lobby, honoring your commitment to the organization for all time.

**One voice for Grays Harbor —  
be a part of it.**

## Be A Founding Member of Greater Grays Harbor, Inc.

**Advocacy • Collaboration  
Excellence • Innovation • Integrity**

## Be a part of something GREAT

**The spark has been born, and now we need to feed it.**

In 2012, The Grays Harbor Chamber and Economic Development Council will join to become Greater Grays Harbor, Inc. We will be stronger together, and will give the community a strong, unified voice to advocate for the best interests of Grays Harbor's business climate.

### Our Vision

- To be the leader for economic opportunities in our community.
- To be the primary advocate for enhancing the economic environment in our community.
- To be the first choice for business and industry seeking marketplace information and resources in our community.

### The Challenge

With this transition come challenges. The first year will require one-time expenditures for legal expertise, accounting assistance, marketing materials, and website redesign as the staffs and operations merge into one organization.

For 2012, the boards of the Chamber and the EDC ask that you Stay the Course with your continued commitment and support for Greater Grays Harbor, Inc.

### Become a Founding Member

To be a Founding Member:

- 1) Continue your level of financial commitment to both organizations, paying dues to both (if you are a member of both) for the year 2012.
- 2) Add 10 percent *or more* of the cost of your combined dues

This is a special level of membership for this year

alone, established by the Transition Team to honor members

who help to defray the extra costs of the first year.

**Greater Grays Harbor, Inc. is ready to charge forward!**

## Yes, I want to be a founding member!

- Count on us to stay the course at our present combined level of investment plus an additional 10 percent of combined dues!
- Count on us to stay the course at our combined level of investment plus an additional 20 percent of combined dues!
- Count on us to stay the course at our combined level of investment plus 10 percent plus this additional amount \$\_\_\_\_\_
