- D. Leadership Grays Harbor provides a non-work associated arena to work on your growth as a leader. What do you hope to gain from this experience? What areas of leadership do you want to grow your skillset in?

III. Leadership Grays Harbor Participant Expectations

The goal of this participant expectation statement is to define the experience that participants and facilitators can expect as members of the 2023 cohort.

Technology Expectations

The Leadership Grays Harbor Program is a combination of in-person and virtual (Zoom) meetings between participants, facilitators, and various community members. Participants are provided opportunities to connect with people across a variety of industries, experiences, and cultures.

Participants are expected to engage with one another through both Zoom sessions and the in-person Civic Tours. During the virtual meetings of the program, participants are expected to be on time with access to a computer, a webcam, a microphone, internet access and free from distractions and unnecessary disruptions. Participants will be required to have their video turned on during these sessions and unmuted when appropriate.

It is the responsibility of participants to have access to an up-to-date computer with a reliable internet connection. Participants should also include a backup plan in case of emergencies.

Professional Expectations

The Leadership Grays Harbor program is a place for learning, professional discussions, and the exchanging of thoughts and ideas. This requires that participants ensure that they provide respect for other participants, facilitators, guest speakers, and the participants themselves. Disrespect towards any individual or group, disregard for discussions, or disruptive behavior will not be tolerated. Individuals engaging in this behavior will be asked to leave or be removed from the virtual platform.

Some of the subjects that will be covered can be challenging or provide reference to previous experiences. The conversations in this program will be honored and participants will provide a safe platform for the exchange of ideas and experiences. Participants will not share experiences or stories outside of the cohort so that everyone can feel free and comfortable to share their thoughts and backgrounds.

Finally, participants of the Leadership Grays Harbor program are honored and sought out in the professional community of Grays Harbor. To have their contribution recognized, participants need to be active participants in the program. Participants that miss more than two sessions of the program will not be eligible to complete the program or receive their recognition plaque.

IV. TUITION

\$1,400 for Greater Grays Harbor Members; \$1,950 for non-members.

If accepted into the Leadership Grays Harbor program, you or your employer will be billed for the tuition fee, which covers all program costs.

Will your employer/sponsor pay for the tuition? Yes, _____; No, _____
Will you, as the participant be paying a portion? Yes, _____; No, _____

Scholarship funds are very limited. If your employer is not paying, and you are unable to pay the full amount, you are encouraged to seek one or more sponsors. Sponsors may be a service club, fraternal organizations, church, a professional to whom you give your business, a relative, a friend, etc.

V. COMMITMENT

I understand the purposes of the LEADERSHIP GRAYS HARBOR program and if I am selected I will devote the time and resources necessary to complete the program. Even though emergencies do arise, any participant missing more than two sessions, for whatever reason, may not receive a certificate of completion. No portion of the tuition shall be refunded. **I understand the above commitments and agree to attend regularly and be bound by them in signing this application.**
